'Hi we have been watching you skinny dip in the pool, we are always perving on females sorry if it offends you!' One of the males says.

'I don't mind men perving on me in the pool when they have such big cocks!' Marian replied as she wrapped a hand around one.

'Hope your not all shirt lifters like my hubby?' Marian adds.

'No don't worry we are not a lot of fucking faggots we fuck women first then if not fucking we get together and fucking jack off. that was what we were doing when you dived in!'

'Well you have all pulled a fucking slut who loves big black cock and is fond of nine man gang bangs!' Marian remarked as she started sucking the first of the big black cocks with a blow job.

Has Marian sucked, teased, licked one of the black cocks on offer to her the others would stand around wanking awaiting their turn or just having been sucked, once she had finished on one cock another was offered to her, once she had sucked all nine like a good little slut all the males lay Marian on a lounge bed then line up to eat her hairy pussy before they lay in a line on loungers and Marian starts at one end fucking the first big black cock before making her way along the line fucking them cow girl, Marian moaning and groaning has she makes her way along the line of big black cocks. Has she fuck the last male

cow girl the other males gather round, one of the BBC's slipped his dick back in to her pussy so that Marian now had two BBC's in her cunt, one in her ass, two in her hands wanking, another BBC in her mouth, the others just standing there wanking. To complete the 9 man pool side gang bang the black males all sit in line on the side of the pool wanking their bbc's, Marian now also in the pool swims up to the first black male stops him wanking, wraps her lips around his shaft giving him a blow job until he empties his load in to her mouth, then she moves on to the next, this time sucking him until he offloaded his jizz all over

her face, this continued with the black males until Marian had gone along all the males the first and last cum in her mouth the rest all over her face, once she had finished with the last male he pushes her underwater to clean off all their jizz before all nine males slip in to the pool with her. They all climb out the nine black males all thanking her for a wonderful pool side fuck before leaving her alone, Marian dries her self down puts on her flip flops and robe then heads back to the hotel room.
